

## WAX EMULSIONS FOR FLOOR POLISHES AND SURFACE BRIGHTENERS FORMULATION

<b>Product</b>	Description	Notes
<b>AW 1340</b>	Beeswax Emulsion	Furniture and Leather polishes. Natural origin product.
<b>AW 4880</b>	Waxes mixture emulsion	Furniture and Leather polishes. Easy to polish.
<b>AW 1270</b>	Rice wax emulsion	Furniture and Leather polishes. Floor polishes. Natural and sustainable origin. Light colour dry film.
<b>AW 1221</b>	Carnauba wax emulsion	Furniture and Leather polishes. Floor polishes and shine renewal products. Natural wax.
<b>AW 1895</b>	Waxes mixture emulsion	Furniture and Leather polishes. Floor polishes and shine renewal products. High performance.
<b>AW 9266</b>	Waxes mixture emulsion	Furniture and Leather polishes. Floor polishes and shine renewal products. Light colour dry film.
<b>AW 1915</b>	Montan wax emulsion	Furniture and Leather polishes. Floor polishes. Light colour dry film.
<b>AW 1940</b>	Montan wax emulsion	Surface brighteners. Shine renewal products. Highly translucent product.

<b>AW 7305</b>	Montan wax emulsion, cationic	Industrial crystallizers made from fluorosilicates. Improves polishability and gloss durability. Good stability against creaming.
----------------	-------------------------------	---

<b>AW 1500</b>	HDPE wax emulsion	Industrial and domestic floor polishes. High gloss and hardness dry film.
<b>AW 2440</b>	Copolymer wax emulsion	Industrial and domestic floor polishes. Provides antislip with no black heel marks.
<b>AW 3765</b>	Copolymer wax emulsion	Industrial and domestic floor polishes. Provides antislip with no black heel marks.
<b>AW 3835</b>	Waxes mixture emulsion	Industrial and domestic floor polishes. Provides antislip with no black heel marks.

<b>AW 6960</b>	Colophonium modified ammonium, water dispersion	Industrial and domestic floor polishes. Levelling and wetting improvement. High efficiency.
<b>AW 6975</b>	ASR copolymer modified ammonium, water dispersion	Industrial and domestic floor polishes. Levelling and wetting improvement.

List of recommended products above. For special requirements, we have other alternative products and technical developments, available on request. Please, contact us for particular requirements.
